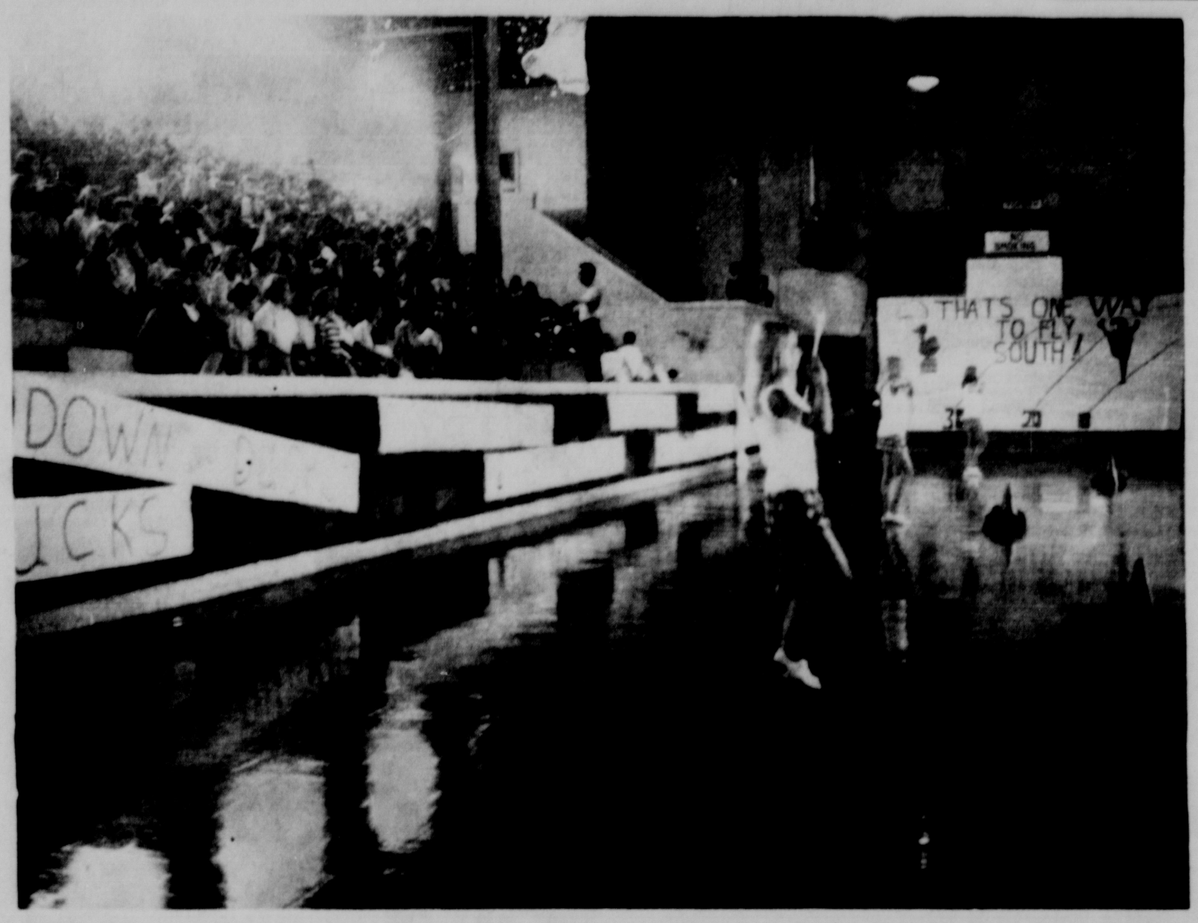
VOL. 111 NO. 52 | 10¢ Per Copy | Cameron, Milam County, Texas, Monday September 14, 1970 | 6 Pages Today



LET'S GO, YOE! And the old gym shakes again as another football season opens with the first pep rally of the year, always the most fun. Even if the weather didn't cooperate with a nip of Fall, the band was good and loud, twirlers and cheerleaders were on the job, and if noise could win games the Ducks wouldn't have a chance.

Now With F.M.L.

We don't know, at this writing, the out come of the Milano-Cameron Consolidation proposal. We can assure the Milano Independent School District has a lot different attitude about education than a month ago.

So might Cameron. People in this district might appreciate a little more what a system is abuilding here.

The Herald and this columnist have passed through some 15 major controversies and a hundred minor ones in the past decade.

Each begins with a certainty that nothing will change and ends with a new position if enough information is revealed about the question. This means only that minds are dispossessed of fixed positions. It may not mean a total change, like this consolidation, occurs the first try.

If we do nothing else each time one of these efforts begin, we scrape away some cobwebs and turn a few wheels. And this is not without some "screws" being turned on us.

The thing about screws, though, is that they are only so long, can penetrate only so deep and are stuck at the last turn. If they back off, they leave an opening. If they stand immobile, they can be sawed off.

We respect Milano's interest in and concern for its community future. We know of hundreds of communities, and so does Milano, which face an uncertain tomorrow.

But Milanoans can take heart in the fact that Cameron not so many years ago acknowledged serious problems and turned energies on them.

We suggest that Cameron and Milano have considerably more in common than once might have been thought. We have gone through a school controversy together, real concern for community and children's futures the reason. And that is something to build on.

It is far better to disagree on vital issues, but to at least communicate our thoughts than to stand by and see how the dust settles.

In this exchange of information, NOW believes Milano and Cameron are better for it. And we join the school board of Cameron Independent School District in inviting these new-found common interests to grow, regardless of this consolidation's outcome.

Both communities are bigger for this exchange. There are men in both communities, and women too, who know and respect the alternate postion and can take it from there.

Milanoans can remember Cameron and this newspaper offered to help, not to stand aside when the idea was so new it was resented. But it is no longer new and it has value when two independent school districts can stand independently and let their patrons vote on the merits, depending on view.

NOW predicts real progress from all this for both systems.

83 Blood Donors Top City Quota

The Bloodmobile collected 83 units of blood at its Wednesday visit, topping Cameron's 71-unit quota.

Eighty - seven prospective donors registered, according to Sister Aloysius, local blood program chairman.

Group Forms To Aid In Foster Home Plan

The county's need for foster homes and day care centers was emphasized at the recent organizational meeting of the Milam County child welfare committee.

Committee members are Mrs. Creola Nelson of Milano, Mrs. E. J. Sansom and Mrs. Tom Beery of Rockdale, Mrs. Bill Gause of Gause, Mrs. Betty Ermis, Mrs. Nona Miller, Mrs. E. O. Schiller, and Max McClaren, all of Cameron.

The group has been organized to help provide a foster home plan for county children, setting a policy to be carried out by professional social workers.

Department of Public Welfare staff meeting with the group included Roy L. Boutwell, county office director; Mrs. Mildred Baker and Mrs. Loyas Drehr, social services; W. T. Bono, program director for the Waco office; and Milam County Judge O. B. Harden, ex officio member of the committee.

Bono explained that the committee's help is needed to serve as a liaison between the community and the State Department of Public Welfare. The need for foster homes and lack of success in finding them is one of the group's first concerns, he noted.

Boutwell explained efforts to establish day care centers in Milam County. Judge Harden discussed the Office of Economic Opportunity program for the centers, and said he has requested that Milam County be put in the Bryan OEO area. He said joining that planning area would give the county a better chance of getting a day care center.

Mrs. Baker said she had 14 inquiries regarding foster homes and adoptions after newspaper publicity on the county need. She and Boutwell told of current case situations that might be helped by foster homes.

The committee will have to face the question of finances for foster homes, Bono said, because the State Department of Public Welfare has no funds for foster care.

No specific assignment was given to the committee, which will name officers and adopt bylaws at its September meeting.

Commissioners To Adopt Budget

County Commissioners will consider the $748,212.00 budget proposed for Milam County at a public budget hearing earlier this month.

The proposed budget will include salary increases which are covered by a $1 million dollar gain in county valuations.

County Auditor John Andres said the General Fund was budgeted for $167,519.25; Officers salaries, including constables and deputies, $129,942.76; Road and Bridge (including precinct road funds) $429,453.31; Jury fund, $6,100; Courthouse and Jail Improvement Fund, $15,197.00.

Fete Ad Placed In Vacation Guide

Plans are shaping up for a "bigger and better" Folk Fete in 1971, according to Mrs. Perry Holder, co-chairman of the festival which was highly successful in its first year.

Fete officials have contracted for a quarter-page, two color ad in the 1971 East Texas Vacation Guide, published annually by the East Texas Chamber of Commerce.

The ET Chamber emphasizes tourism as an industry for cities.

ROGERS

Waco Midway edged Rogers in a season opener here Friday night in the final 2 minutes with a flat pass and a final score of 15-14.

The Eagles led into the fourth quarter until Midway fell on a Rogers fumble at the Rogers 18, taking the ball to the Rogers 4.

Rogers held for three downs, only to see quarterback David McCutcheon pass flat to end Billy Garrett for the fatal score. On a second try, Midway's Tommy Corley ran in for a 2-point PAT, giving the Midway edge, 15-14.

Rogers scoring came in the first quarter in a 74-yard drive, capped by a one-yard plunge for a TD by Eugene Brenek, Don Mayfield converting. Rogers 7, Midway 0.

Midway countered in the second quarter with a 77-yard drive. McCutchen passed to end Tommy Young for a 29-yard bomb, Corley converting. Rogers 7, Midway 7.

The Eagles regained the lead in the third quarter with 54-yard drive, sparked by a 35-yard TD sprint by fullback Lucas Jimenez. Mayfield converted: Rogers 14, Midway 7.

McCutchen's clutch pass to Garrett in the fourth quarter and Corley's second conversion ended scoring.

The hometown Rogers crowd saw heavy hitting in the Eagles team effort. Eagles drew 12 penalties for 122 yards and Midway 6 penalties for 75 yards.

Rosebud 14, Marlin 0

MARLIN

A scoreless Marlin club contained Rosebud-Lott's Cougars for two quarters only to see two touchdowns in the second half finish it, Rosebud 14, Marlin 0.

R-L 'S Luther Alexander went 35 yards on a trap play in the third quarter for the first score, Kirkscey converting.

And in the fourth, Kenneth Coulter took the Cougars the last 11 yards and the final TD, Kirkscey converting the second time.

Alexander was all over the turf with almost 180 yards in 20 carries.

Marlin mustered some outstanding defense in the home field, but little offense in a game substantially an infantry attack for both clubs. Myron Harden and Jerry Drews led the Marlin defenders.

Statistics showed 283 yards rushing for the R-L Cougars, more than double Marlin's. No other dramatic difference developed in the game.

Kirkscey continued a skein of PAT's begun in 1969, a season when Alexander was a standout in the Rosebud club, before consolidation with Lott.

Milano 38, Buckholts 14

BUCKHOLTS

The hometown crowd was disappointed here Friday night as the Milano Eagles lifted a 38-14 Class B win over the Buckholts Badgers.

The season opener saw Milano take a 6-0 lead, countered by Buckholts TD in the first quarter. But Milano's Nelson scored a second Eagle TD to put Milano ahead for the evening.

Milano led at the half, 26-8. Touchdowns by Nelson and Shaw provided the edge, started by Nelson.

Buckholts' Kudlacek scored the final Badger TD down the middle, the conversion good. Hisler scored Buckholts other touchdown.

Milano's Nelson and Shaw each crossed the double-stripe three times, Shaw scoring on long runs in the second half.

Rockdale 20, Georgetown 12

ROCKDALE

Rockdale Tigers choked the vaunted Georgetown Eagles, 20-12, with three long runs by a junior halfback and five pass interceptions.

Halfback Will Ray went all the way on an 80-yard punt return for a TD, scored from 88 yards out and set up the third Tiger score with a key 54-yard sprint in the third quarter.

Georgetown could score only late in the fourth quarter when the Eagles forwards fell on a blocked punt and quarterback Mike Lyda scored on a fourth down, 2-yard dive for the final score. Neither conversion scored.

Ray's punt return put Rockdale ahead 6-0 at halftime.

In the fourth quarter, he went for Rockdale's third TD and the 88 yards, conversion failing.

The other Tiger score was set up by Ray's sprint to the Georgetown 26, a run of 54 yards. A Mike Lankford-Bert Brown pass was good for 21, and Brown caught another Lankford toss for the TD, Lankford converting.

Georgetown, a 12-0-1 ballclub, was favored to defeat the Tigers, who lost all 10 of their 1969 starts in AAA competition, including a loss to Cameron.

Georgetown led statistically except in yards rushing in which Ray singlehandedly pushed Rockdale's total to 195 yards.

Freshmen 36, Gatesville 14

Yoe junior varsity and freshman teams traveled to Gatesville Thursday night and split the breaks with that school -- Cameron freshmen won 36-14 and the JVs lost 26-6.

Varsity assistants Ernie Laurence and Price Minter share coaching duties for the teams. Rosters released by the coaches this week:

Fumbles Mar Clash

The Yoemen opened the 1970 season Friday night with an aerial attack, augmented by Emanuel Thomas 91 yards rushing, which turned away the uncertain Taylor Eagles, 28-7.

The game went from thrills in the first half to almost ho-hum in the second. Four of the five scores came before the half.

Cameron leading 21-7, tackle Dale Schigut pounced on one of the Ducks' seven fumbles in the endzone and added the final touchdown, Joe Lewis, who helped force the fumble, converting.

Halfback Thomas kept things busy on the ground with 91 yards in 13 carries, including a 9-yard sprint for the first Cameron touchdown, Lewis converting.

The Ducks evened the score quickly when halfback Reggie Turner intercepted a Robert Brashear flat pass, racing back 60 yards for the lone Taylor TD, quarterback Tim Kennedy converting. Score was 7-7.

Quarterback Brashear squared things minutes later by capping a 58-yard Yoe drive with a 27-yard scoring pass to end Mike Zajicek, Lewis' conversion attempt wide, Cameron 13-7.

Thomas picked up 18 yards on the ground during the drive, alternating with Jerry Richardson and Ernie De La Rosa, before Cameron drew a 15-yard penalty, setting the stage for Brashear's toss to Zajicek.

Taylor countered with a drive to the Cameron 29, but went into shock when junior quarterback Richard Cummings intercepted a Kennedy pass and followed excellent blocking up the sidelines for a

With first and goal, the Yoemen sent Thomas for 3 and then fullback Edward Whitley cracked straight ahead for 7 and the score, which was followed by a 2-point conversion pass, Brashear to Richardson.

Until Schigut fell on the loose ball in the Duck endzone, his second fumble recovery of the evening, that was the scoring. Cameron led at the half, 21-7.

A Dad's Night crowd of about 3,500 watched the second half slow to an exchange of punts and fumbles.

CISD Board Assures Milano Of Welcome

Cameron school trustees met in regular session Thursday night and adopted the following resolution:

"The Cameron Board of Trustees wishes to extend to the Milano District Board of Trustees and their patrons a welcome into the Cameron District should the Consolidation Election called for Sept. 12, 1970 carry. Also, to assure the Milano Board of Trustees and their patrons of this Board's desire to provide a quality education for each student of the combined District.

"Furthermore, should the Consolidation Election fail to carry, to assure the Milano Board and their patrons the Cameron Schools will continue to cooperate with and assist the Milano District in any way possible."

Trustees also heard School Supt. D. R. Dodson commend action by the school board in July, 1969, when it voted to unitize the Cameron school system. Citing reports of deep problems and community splits in neighboring school districts, Supt. Dodson said he appreciated the board's "forward thinking."

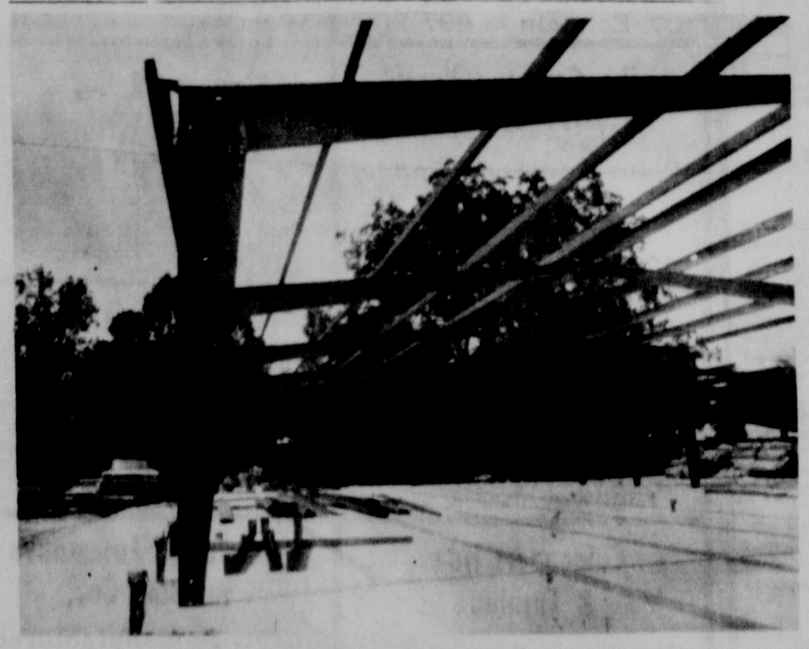
In other business, Title I and other school personnel were officially hired for the 1970-71 school year and the 1970 tax roll was approved.

Personnel included: aides, Katherine Looney, Mary Tom Moody, Marie Schiller, Irene Simmons, Marietta Turner, and Theodora Marek;

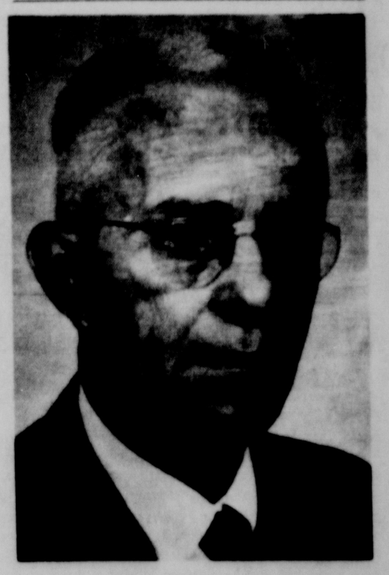
Media Center personnel, Robert Maler, Bobbie Perkins, and Jean Krall; Jerry Secrest, elementary tutor; Betty Humble, school nurse; Bobbye Looney, social worker; Ida Joyce Zajicek, remedial program; Mrs. Jean Tumlinson, high school Spanish;

Also, Viola Wied, Minta Miller, Vivian Kunz and Bernadette Hanel, office personnel. Total employees in the school system is 132, Supt. Dodson said.

A progress report from the building committee showed steel up for the homemaking cottage, awaiting wall and ceiling panels, and foundation poured and steel ready for erection at the junior high school dressing room.



FOR FUTURE HOMEMAKERS - Steel framework is ready for walls and roof of the new homemaking cottage under construction for Yoe High students. The new building will be welcomed by homemaking students, whose department is housed in the gym.



ROTARY GOV. GARDNER

Rotary To Host Dist. Governor

Rotary District Governor Sam J. Gardner of Austin will be in Cameron this week for the annual district governor's visit with the local club.

He will meet with Cameron Rotary Club directors in the meeting room of the First National Bank Tuesday night and with the 30-member Cameron Rotary Club at their noon meeting Wednesday.

Gardner is Inspector of the Highway Patrol Service of the Texas Department of Public Safety. Before appointment to the inspector's post, he was Commanding Captain of the Waco District of the Texas Highway Patrol.

He was president of the Rotary Club of Northwest Waco, was a director of the YMCA, Chairman of the American Red Cross chapter and of the Central Texas Blood Bank.

In Austin he has been a member of the North Austin Rotary Club, a director of the Travis County Red Cross chapter, member of the Austin Society for Public Administration and is a vice president of the Texas Police Association.

Look At The Record....

The Herald would like to urge support for a final $35,000 fund drive which will be announced in the near future for Cameron Industrial Foundation.

Such a drive, to complete a goal of 1966 for $100,000, has been contemplated for at least a year. It is a good time to finish the goal begun with minimum assets, maximum plans in 1966.

Cameron Industrial Foundation's assets and record are impressive: Assistance in locating three industries in about two years, acquisition of additional acreage for other industry and options on even more, creation of upward to 300 jobs by this assistance. If we are correct, all three industries, plus Walled Lake Door, are hiring more people or at capacity.

More working capital for this community corporation is vital at this time. More development of the Cameron Industrial Park is important.

When one considers what that first $65,000 has done for Cameron in three short years, think what the other $35,000 can do to sustain an active industrial program in Cameron.

Bringing Energies Together

Herald editorials are direct.

They inflict pain, sometimes, in deep regions of the brain, not by what they say, but by what they try to make the brain do. . .think. After 30, that is an occupation the brain forfeits, sometimes, for the ducking and dodging of every-day life.

Our editorials contend that this life, as we now live it, is anything but everyday. It is sizzling with potential and change, but it is fascinating for the active mind to ponder and to contend with.

It is possible we rouse reaction to questions, but it is more possible we really rouse dissatisfaction within our readers, who realize maybe, just maybe they can do something about a condition they have accepted as a plight.

We say often man will never solve all his problems, but he can resolve a lot of them on his way. And that is a comforting thought in a day so tumultuous with incidents like organized highjacking of international jet flights, police assassinations and world - wide unrest.

Change can be dealt with; it can be met; and it can be fascinating rather than frightening if our brain is penetrated a bit and set to all it perceives, rather than reacting in pre-conditioned response.

Our editorials do not intend to offend. But they might. Their intent is to spark, to bring energies together for a solution. All kinds of reactionaries are loose on the world who know only how to disrupt.

THE FAMILY LAWYER

No Questions Asked

Many a conscientious husband seeks peace of mind by buying life insurance to protect his family in case he dies.

But he may also have a nagging worry: will the insurance company really pay off when the time comes, or will it find some flaw making the policy null and void?

To cut this worry to a minimum, most policies now contain what is known as an "incontestable clause." Under this clause, after a stated period (usually two years), the insurance company can no longer raise technical objections about the validity of the policy. It must generally pay off "with no questions asked."

Suppose, for example, that a man applying for insurance fails to mention the fact that he has a drinking problem. And suppose, after his death, the insurance company finds out about it. Under the incontestable clause, the company could not raise this point to escape paying the insurance to the widow.

In fact, the incontestable clause applies in most states even if the applicant told a deliberate lie. Take this case:

A man filling out an insurance application was asked if he was in good health. He said he was—even though he knew he had serious heart trouble.

After his death, the insurance company tried to cancel the policy on grounds of fraud. But a court ruled that, despite the fraud, the company would still have to pay off—because more than two years had gone by. As one judge explained:

"Even though dishonest people are given advantages under incontestable clauses, still the sense of security given to the great majority of honest policyholders makes it worth the cost."

But not even an incontestable clause will help if the fraud involves the very existence of the policy. Thus:

A man suffering from tuberculosis managed to get life insurance by sending a healthy friend to take the medical examination for him. After the man died, the insurance company found out about the trick and denied liability.

The widow tried to rely on the incontestable clause, but a court ruled that there had never been an insurance contract in the first place. The court said that on one basic fact, the identity of the insured person, there was never a "meeting of the minds."

In Memoriam

Richter - In loving memory of our son Lawrence Richter, who passed away Sept. 22, 1969.

We loved you so dearly the 43 years we had you with us. The heartaches we have shared this passing year could only be felt by his parents so close.

Gone is the face we love so dear. Silent is the voice we love to hear. Too far away for sight or speech. But not too far for thought to reach.

Friends may think the wound is healed, but they so little know the sorrow that is in our hearts concealed, God only knows.

Interest Up On US Bonds

Secretary of the Treasury David M. Kennedy has announced that a 1/2 - percent bonus will be added to the interest rate paid to longer-term holders of United States Savings Bonds.

This bonus will raise the effective interest rate on new Bonds, when held to maturity, from 5 to 5 1/2 percent.

The increase, which is retroactive to June 1, 1970, will also result in improved yields on outstanding Series E and Series H Bonds.

Arts Service League Projects Outlined

A luncheon at the home of Mrs. John Schigut opened the club year for the Arts and Service League Thursday. Fall flowers centered the serving and luncheon tables.

During a business meeting following the luncheon, projects for the club year were presented by Mrs. Bernay Dusek, Arts and Service League president, and Mrs. Bob Ellett, projects chairman.

The Club will sponsor a Newcomers Party in October, a series of five classic childrens movies to be shown on Saturday mornings beginning in December, a party for the Special Education students at Cameron schools and a charity ball in the spring. Proceeds for the Charity Ball will be used to finance a summer recreation program for children.

Club members also voted to sponsor the Cameron Senior Girl Scout troop.

Project committees will be: Membership - Mrs. James D. Camp and Mrs. Lee Marek;

Telephone - Mrs. Reeves Brown, Mrs. Albert Michalka and Mrs. Ron Murdock;

Movie Committee - Mrs. John Henderson, Mrs. Charles Chandler, Mrs. Albert Michalka and Mrs. Forrest Sapp;

Newcomers Party - Mrs. Frank Luecke, Mrs. Ron Murdock, Mrs. Lee Marek and Mrs. Leonard Cobb;

Style Show and Luncheon - Mrs. Bill Dase, Mrs. Dana Kestenbaum, Mrs. William Kelm and Mrs. Delbert Burleson;

Charity Ball - Mrs. Bob Ellett, Mrs. John Schigut, Mrs. Forrest Green, Mrs. Jack Ingram and Mrs. Paul Board.

Programs for the 1970-71 year will include a style show and luncheon in March, an afternoon program on Art and Sculpting by James Brock in January and a May luncheon.

Greetings,

To Mr. and Mrs. John Corlett, a girl, Stacey Renee, 8 pounds 1 1/2 ounces, born September 9 in Dallas. Mrs. Corlett is the former Carol Ann Wilson of Cameron. Grandparents are Mr. and Mrs. John E. Corlett of Richardson, Mr. and Mrs. Roy Bland of Taylor and Mr. John Henry Wilson. Great-grandparents are Mr. and Mrs. Henry Wilson of Hearne and Mr. and Mrs. Dewey McElwrath of Cameron. Great-great grandmothers are Mrs. G. E. Plentl of Cameron and Mrs. George Leath of Houston.

Computer, Psychedelic Light Concert In Baylor U Series

WACO

The Moog Synthesizer and Light Show with composer Merrill Ellis has been added to the Baylor University School of Music's Distinguished Artists Series for 1970-71.

The ensemble that is to perform Nov. 20 at Baylor features the famous Moog Synthesizer, psychedelic lights and computer. The group replaces the John Biggs Consort that previously was announced as part of the Distinguished Artists Series.

Three other concerts will be offered as part of the 1970-71 series.

Opening the series Oct. 27 will be the Janacek String Quartet from Czechoslovakia. The third concert, after the Moog Synthesizer and Light Show, and the first of 1971 will feature Natasha Gutman, young cellist from Russia, Feb. 19. The Musica Nova ensemble from Romania will provide the final concert of the series March 23.

Each of the Distinguished Artists Series performances will be at 8:15 p.m. in Roxy Grove Hall on the Baylor campus.

Tickets are now on sale in the music school's office. Tickets for individual concerts are $2.50 for adults and $1.50 for students and military personnel. Season tickets are $7.50 for adults and $4.50 for students and military personnel. Additional information is available by calling (817) 755-1161 or by writing to the School of Music Baylor University, Waco, Texas 76703.

Dual Program For Garden Club Meeting

Fleur de lis Garden Club members were treated to a program of color slides on Candadian Gardens showing flowers in their natural surroundings, followed by a program on preserving summer flowers and folliage for dried arrangements.

The Club met Tuesday evening at the home of Mrs. Forrest Sapp with Mrs. Don Humble and Mrs. Don Marquart as co-hostesses.

Mrs. E. O. Schiller Jr. showed the slides of formal gardens taken during her summer trip to Washington and into Canada.

The program on drying flowers and folliage was presented by Mrs. D. R. Dodson. She emphasized cutting material to be dried in the afternoon, after the moisture is gone from the plant and suggested using folliage with thin leaves for better results.

Club Installs Officers

The Pleasure and Profit Club began its year of activity Thursday afternoon at the home of Mrs. E. J. Burkes. A permanent arrangement of red roses, the club flower, was the central decoration.

Mrs. J. R. Looney, the outgoing president opened the meeting. She installed the officers for 1970-71, using the beautiful candlelighting theme. New officers are Mrs. J. A. Bowling, president; Mrs. Walter Lester, vice president; Mrs. Virginia Schuhsler, secretary - treasurer; Mrs. E. J. Burkes, reporter-historian.

Mrs. Bowling responed with a challenge to each member to make the year an unforgettable one.

Mrs. Bartow Jackson, yearbook chairman, introduced the programs for the year by reading an imaginary letter to a friend relating the high points planned for each meeting. Theme for the year is a "Potpourri of Talents". Assisting Mrs. Jackson on the yearbook committee were Miss Ada Margaret Smith and Mrs. Milton Schiller.

Sixteen members were present. Guests were Mrs. Paul Young, Mrs. Joe L. Walzel and Mrs. Billie Quiram.

The hostess served refreshments of punch, cookies, mints and ice cream, again featuring the club flower, the red rose.

Mrs. J. A. Looney led the members in reading "The Club Collect" for dismissal.

The Pleasure and Profit Club will meet September 24 with Mrs. R. M. Clark. The program will be a book review presented by Mrs. Herbert Nance.

9 Countians Attend GOP Convention

Nine Milam County Republicans are scheduled to attend the GOP State Convention to be held in Fort Worth Tuesday, September 15.

Attending as delegates will be County Chairman J. Estel Johnston, James E. Luckey, Jack W. Tumlinson and Lloyd Albertson. Alternates will be Mrs. J. Estel Johnston, Mrs. James E. Luckey, Mrs. John A. Mudge, Mrs. Jack Tumlinson and Mrs. John A. Smith.

The GOP State Convention will be held in Fort Worth's Convention Center beginning at 9 a.m. on Tuesday. Republican Party headquarters will be in the adjacent Sheraton - Fort Worth Hotel.

Keynote speaker for the one day convention will be Gov. Linwood Holton of Virginia. Other featured speakers will be Sen. John Tower, U. S. Rep. George Bush, Paul Eggers, National Committeeman Peter O'Donnell, State Chairman William M. Steger and Byron Fullerton, candidate for Lieutenant Governor.

Personal Mention

Mr. and Mrs. Tucker Wilkerson of Cleveland, Texas spent Friday with his mother, Mrs. Lula Wilkerson in the nursing home in Cameron.

Anton Anderle, owner of Anderle Lumber Co., Cameron, is a patient at St. Edward Hospital following a sudden illness last week.

BROILED BEEFBURGERS SPORT several flavor surprises for porch or patio picnic.

True enjoyment of summer includes broiling beefburgers on the porch or patio. Patties broil to the same juicy and delicious doneness whether a hibachi or larger grill is used.

For a special burger treat to celebrate summer and delight the family, hide a cube of caraway seed cheese in the center of each patty, suggests Reba Staggs, home economist for the National Live Stock and Meat Board. For additional flavor appeal, burgers are brushed with a tangy catsup sauce.

Caraway Beef Patties

Shred 2 slices of rye bread and mix with ⅓ cup water. Combine with 1½ pounds ground beef, 1 teaspoon salt, ⅛ teaspoon pepper and 1 beaten egg. Shape mixture into 12 thin patties using about ¼ cup mixture for each.

Cut in half each of 3 slices (4 x 7-inches) caraway seed cheese and arrange the 6 slices in a stack. Make 3 cuts through cheese to make pieces about 2 inches square. Place a stack of 4 cheese squares on each of 6 patties. Top with remaining patties and press edges together. Combine ⅓ cup catsup, 1 teaspoon soy sauce, 1 teaspoon prepared mustard and 1 teaspoon lemon juice.

To broil outdoors, place patties on grill 3 inches from heat. Broil 3 minutes, turn, brush with catsup mixture and broil second side 3 minutes. Turn, brush with mixture, broil 3 minutes, turn and broil until patties are done. 6 servings.

Cottonseed Food To Debut At Fair

Some glamour foods that have been extracted from lowly cottonseed will be on the Texas Department of Agriculture's platters in the Food and Fiber Pavilion at the State Fair in October, Commissioner John C. White has revealed.

It will be like the debut of such foods from cottonseed as Tamunuts and cotton nuts, "cotton brittle," butter, and foods from cottonseed flour.

Mrs. Margaret Hardin of Texas Tech's home economics department will give demonstrations with the new foods during "Cotton Day," October 11 at the Fair. Those protein-filled foods will be served at the press luncheon in the all-new Food and Fiber Pavilion October 8, and for the general public, during "Cotton Day."

Research has brought forth the new foods from cottonseed, and probably also will result in a new high-protein drink that is under development, according to Jack Whetstone, executive vice president of the Texas Cottonseed Crushers Association.

A "glandless" cotton has been developed and about 15,000 acres of it were planted under contract for the cottonseed that has been used in preparation of the new foods.

"Tamunuts" were named in honor of Texas A&M University where much of the research on cottonseed foods has been done. Some of the candy is like peanut brittle, and a butter is similar to peanut butter. The cottonseed flour can be used in baking, and cottonseed oil is much like vegetable oil.

Food shows featuring cottonseed foods will be given at 10 a.m., 2 and 6 p.m. October 11 in the Food and Fiber Pavilion. Other foods will be featured at the same hours other days during the Fair.

PORTERHOUSE -- often considered the best steak, is ideal to serve for those special dinner guests. Most porterhouse steaks will be too large for an individual serving. However, they have a generous tenderloin section which can be removed and served separately as filet mignon.

D. Lesikar Named To RISD Board

At the September meeting of the Board of Trustees of the Rogers Independent School District, Daniel C. Lesikar was appointed by the Board to serve in the position left by the late Edwin Psencik.

Lesikar will be sworn in as board member at the October 1 meeting.

Lesikar is a 1960 graduate of Rogers High School. He has been farming and ranching in the Rogers school district since his graduation. He and his wife, the former Lanelle Marchak, have two children, one starting school this year.

In other business, the Board elected Tom Scott of Heidenheimer as head custodian; approved the work-study federal program run by Temple Junior College with two students working in the Rogers system after their TJC classes.

It made provisions for the construction of a bicycle rack for elementary students; approved revisions in the Title I application-budget; named a large advisory committee for the Consolidation Application Program and provided for the purchase of a new washer and dryer for the homemaking department.

Yoe Wins

CONT. FROM PAGE 1

Taylor had five fumbles in the first half, two in the second, one for the final Yoe touchdown.

Coach Hal Stanislaw was alternating a number of players in the backfield and a combination of first-night jitters and testing players at different positions caused five Cameron fumbles in the second half.

Taylor alternated Scott Wilkerson and Tim Kennedy at quarterback throughout the evening. Taylor was having trouble with the Wish-bone T introduced there this year.

De la Rosa, Cummings, Sam Knight, Whitley, Richardson and Thomas all ran the ball during the evening.

Brashear hit 8 of 12 passes, his favorite target end Carroll Michalka. And Kennedy and Wilkerson hit 7 of 14 tosses, most in the second half.

Cameron's forwards smothered Duck backs all evening. Schigut, Knight, Jim and John Bailey, Lewis, Jack Raymond spent a good part of the evening in the Taylor backfield.

George Faltesak, Mark Krueger and Greg Buzan were among top Taylor defenders.

Taylor's Turner racked up 51 yards in four rushes in the first quarter and scored on the long interception runback. But the Ducks moved to the air in the second half.

Valery Jackson and Don Hull, Duck halfbacks, worked the Cameron line for some yardage, but costly Taylor fumbles repeatedly turned back the Duck rushing game.

Cummings went almost all the way on his dramatic runback of the interception, but was caught from behind at the Yoe 10. Yoe downfield blocking cleared the sidelines of all but one Taylor defender.

New Way to See America

NEW YORK, N.Y. — Great discoveries await vacationeers this year at national parks, forests, the seashore and mountains. America is easier to discover now with a new Fly In-Camp Out vacation program being introduced by a major airline this season.

The most attractive outdoor recreation areas are mere hours away by plane from the major metropolitan areas. Within minutes after arriving at the destination airport, a family will be met with a fully-equipped, self-contained "motel on wheels." Everything needed for a camping vacation is aboard the modern camper vehicle, from built-in beds that sleep 4 to 6 adults, to stove, oven, sink, water supply, toilet facilities and storage cabinets. In addition, bedding, cooking kit, eating utensils, maps and guides are aboard.

Exciting itineraries from sun soaked beaches and mountain lakes to famed fishing spots and Indian villages are included in the Camp America guidebooks and trip maps.

Most important to the vacationing family, all the valuable vacation time can be spent in the choicest outdoor recreation areas.

The new dimension in family vacations also includes guaranteed reservations at campgrounds, with overnight costs as low as $2.50 per family. With the convenience and comfort of a home on wheels, families can explore the byways or wander their own heritage highways to outdoor adventure.

From the Sun coast of Florida to the Great Smokies, the lure of the outdoors will beckon millions of families this year. And those wonderful far away places are only hours from home now on Fly In-Camp Out vacations, a new era for those who love the outdoors, according to Eastern Airlines. When vacation days are over, home is a brief relaxing plane trip away.

Seniors Invited To Air Problems

By Christine Laws

Milam County will be holding a series of Community White House Conferences on Aging during the weeks of September 13 thru 26 along with all other communities in the nation, preparatory to the State and National White House Conferences on Aging to be held during 1971.

The meetings are open to anyone interested, but are mainly aimed at those 50 years and older. The purpose of these community forums is to better learn about the problems of today's senior citizen and to learn the needs of tomorrow's senior citizen. You may say that my voice may not count very much, but everyone's ideas and opinions are necessary.

These forums are needed for the older American to speak out about their problems on a local level. A report of these problems will then be sent to the state and later to the national level.

Seven community forums will be held in Milam County starting September 14 in Branchville at 7 p.m. at Old Providence Baptist Church.

On September 15, the Maysfield Forum will be held at 6 p.m. at the Maysfield Community Center. Davilla Community will be the scene at 6 p.m. on September 16 at the Davilla Community Center. On September 17, 7 p. m. the forum will be held at the Zion Hill Baptist Church in Gause.

Three more forums will be held during the week of September 20. On September 21, at 10 a.m. at the New Salem H. D. Club House in Fair Park, Rockdale. Abiding Savior Lutheran Church, 6 p.m. in Cameron will be the place on September 22. A forum will be held in Thorndale on September 23, place and time to be announced.

Mrs. Clyde Holliman of Rockdale is serving as county coordinator and Mrs. Wavy Charles of Tracy-Duncan is serving as her assistant with this project.

These forums are open to all groups and are to benefit you. So come and participate.

Santa Fe Ups Sulphur Shipments

A 100 per cent increase in shipments of molten sulphur by unit train from Duval Corporation's plant at Rustler Springs, Tex., to shipside at Galveston has been announced jointly by Duval and Santa Fe Railway.

Effective September 10 a fourth 66 - car unit train was added to the service and departures will be scheduled every other day compared with the previous pattern of departures every fourth day. Each train will carry 858,000 gallons or the equivalent of 5,610 tons on the 930 miles trip.

The service was inaugurated in November, 1969, with three 66-car trains in operation.

Local Game Warden Is FFA Guest

Dale Moore, local game warden, was guest speaker at the Cameron Yoe FFA September 8 meeting. Moore's program was on wildlife and wildlife rules.

During the business meeting the chapter voted to increase prices at its concession stand and voted to buy official FFA jackets for chapter officers.

Steve Kirk discussed improving the FFA marker on Highway 77 and Donnie Tucker and Clell Wise discussed the chapter's sponsoring a youth rodeo this year.

Glen Cryer and Gary Fuchs won the door prizes, two female rabbits donated by Bo Durr.

Refreshments were served following the meeting to the 39 members and three guests present.

Highway Fund Cut Means No December Contracts

AUSTIN

The Texas Highway Commission today announced cancellation of the regular December lettings of highway contracts throughout the State.

The Commission blamed the contracting moratorium on the recent holdback of part of the Texas apportionment from the Federal Highway Trust Fund.

The action came at a time when highway construction has been at an all-time high in the State due to favorable weather. For the last two months, payout for construction completed by Texas contractors has set new records in dollar volume.

Contractors were paid $42.6 million in July for work completed in June and $46.3 million in August for work completed in July. The payments represented work on 501 contracts in June and 593 contracts in July.

The Federal Aid Highway act of 1968, as approved by the Congress, provided that the States should receive $5.4 billion for the 1971 fiscal year apportionment from the Highway Trust Fund.

This amount was reduced by the Administration to $4.6 billion nationally and resulted in a reduction of the Texas share from $275 million to $210 million, $65 million less than expected.

Rogers PTA Meet At 8 Tonite

The Parent-Teacher Association of the Rogers Public Schools will have the first meeting of the year Monday night Sept. 14 in the school cafetorium at 8 o'clock with Mrs. George Richards, president, in charge.

Mrs. Milton Wendler, program chairman, will present the program. Supt. B. F. Harbour will introduce the entire faculty, staff, and trustees.

After the presentations, adults will meet in one of the four "Teach Adults" rooms for classes which will last for 10 to 15 minutes.

Efforts will be made in the meetings to familiarize parents with math and science courses taught in high school and at the junior high level, and get acquainted meetings at the elementary level between parents and their children's teachers.

The groups will return to the cafetorium for refreshments.

Earliest reference to rodeo activities is 1847. Place: Santa Fe, New Mexico.

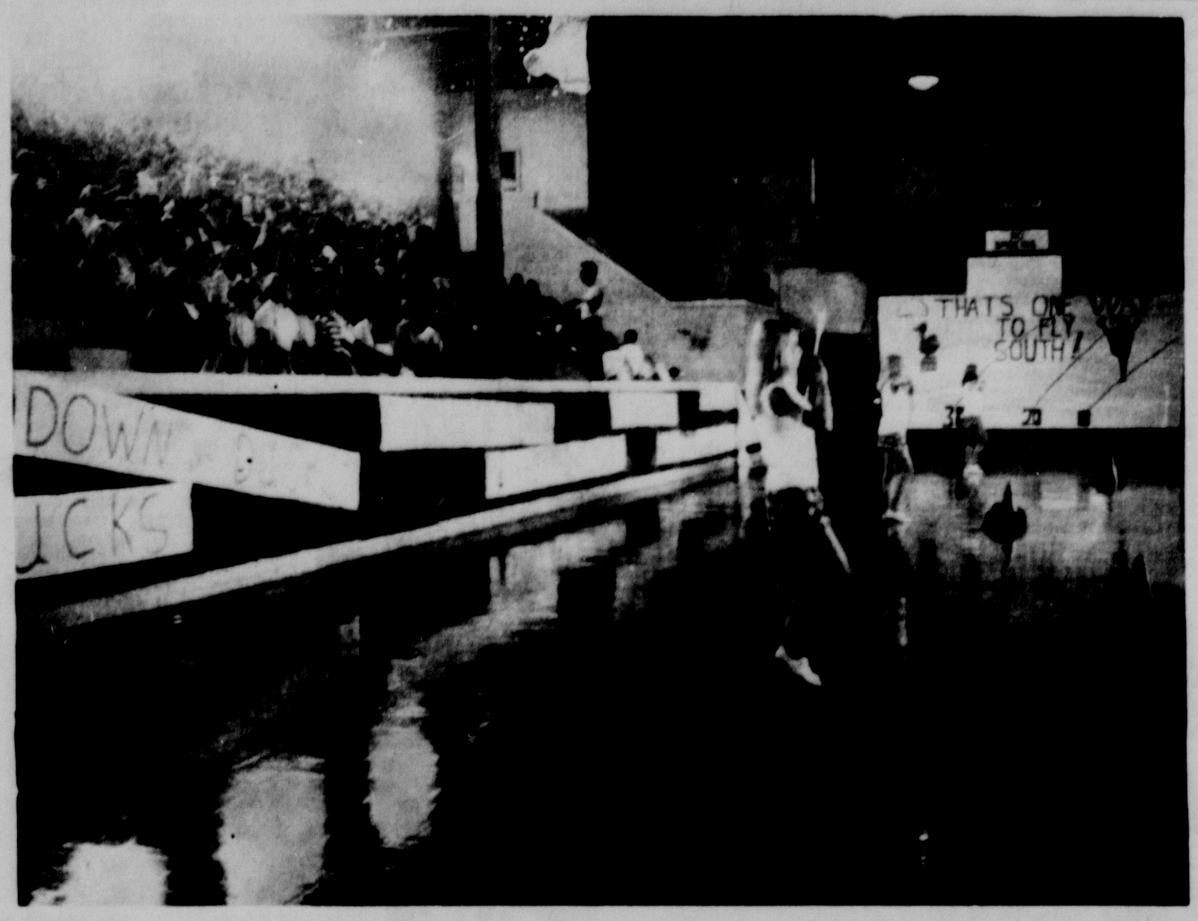
A Daily Twice A Week

VOL. 111 NO. 52 | 10¢ Per Copy | Cameron, Milam County, Texas, Monday September 14, 1970 | 6 Pages Today



LET'S GO, YOE! And the old gym shakes again as another football season opens with the first pep rally of the year, always the most fun. Even if the weather didn't cooperate with a nip of Fall, the band was good and loud, twirlers and cheerleaders were on the job, and if noise could win games the Ducks wouldn't have a chance.

Now With F.M.L.

We don't know, at this writing, the out come of the Milano-Cameron Consolidation proposal. We can assure the Milano Independent School District has a lot different attitude about education than a month ago.

So might Cameron. People in this district might appreciate a little more what a system is abuilding here.

The Herald and this columnist have passed through some 15 major controversies and a hundred minor ones in the past decade.

Each begins with a certainty that nothing will change and ends with a new position if enough information is revealed about the question. This means only that minds are dispossessed of fixed positions. It may not mean a total change, like this consolidation, occurs the first try.

If we do nothing else each time one of these efforts begin, we scrape away some cobwebs and turn a few wheels. And this is not without some "screws" being turned on us.

The thing about screws, though, is that they are only so long, can penetrate only so deep and are stuck at the last turn. If they back off, they leave an opening: if they stand immobile, they can be sawed off.

We respect Milano's interest in and concern for its community future. We know of hundreds of communities, and so does Milano, which face an uncertain tomorrow.

But Milanoans can take heart in the fact that Cameron not so many years ago acknowledged serious problems and turned energies on them.

We suggest that Cameron and Milano have considerably more in common than once might have been thought. We have gone through a school controversy together, real concern for community and children's futures the reason. And that is something to build on.

It is far better to disagree on vital issues, but to at least communicate our thoughts than to stand by and see how the dust settles.

In this exchange of information, NOW believes Milano and Cameron are better for it. And we join the school board of Cameron Independent School District in inviting these new-found common interests to grow, regardless of this consolidation's outcome.

Both communities are bigger for this exchange. There are men in both communities, and women too, who know and respect the alternate postion and can take it from there.

Milanoans can remember Cameron and this newspaper offered to help, not to stand aside when the idea was so new it was resented. But it is no longer new and it has value when two independent school districts can stand independently and let their patrons vote on the merits, depending on view.

NOW predicts real progress from all this for both systems.

Group Forms To Aid In Foster Home Plan

The county's need for foster homes and day care centers was emphasized at the recent organizational meeting of the Milam County child welfare committee.

Committee members are Mrs. Creola Nelson of Milano, Mrs. E. J. Sansom and Mrs. Tom Beery of Rockdale, Mrs. Bill Gause of Gause, Mrs. Betty Ermis, Mrs. Nona Miller, Mrs. E. O. Schiller, and Max McClaren, all of Cameron.

The group has been organized to help provide a foster home plan for county children, setting a policy to be carried out by professional social workers.

Department of Public Welfare staff meeting with the group included Roy L. Boutwell, county office director; Mrs. Mildred Baker and Mrs. Loyas Drehr, social services; W. T. Bono, program director for the Waco office; and Milam County Judge O. B. Harden, ex officio member of the committee.

Bono explained that the committee's help is needed to serve as a liaison between the community and the State Department of Public Welfare. The need for foster homes and lack of success in finding them is one of the group's first concerns, he noted.

Boutwell explained efforts to establish day care centers in Milam County. Judge Harden discussed the Office of Economic Opportunity program for the centers, and said he has requested that Milam County be put in the Bryan OEO area. He said joining that planning area would give the county a better chance of getting a day care center.

Mrs. Baker said she had 14 inquiries regarding foster homes and adoptions after newspaper publicity on the county need. She and Boutwell told of current case situations that might be helped by foster homes.

The committee will have to face the question of finances for foster homes, Bono said, because the State Department of Public Welfare has no funds for foster care.

No specific assignment was given to the committee, which will name officers and adopt bylaws at its September meeting.

Commissioners To Adopt Budget

County Commissioners will consider the $748,212.00 budget proposed for Milam County at a public budget hearing earlier this month.

The proposed budget will include salary increases which are covered by a $1 million dollar gain in county valuations.

County Auditor John Andres said the General Fund was budgeted for $167,519.25; Officers salaries, including constables and deputies, $129,942.76; Road and Bridge (including precinct road funds) $429,453.31; Jury fund, $6,100; Courthouse and Jail Improvement Fund, $15,197.00.

Fete Ad Placed In Vacation Guide

Plans are shaping up for a "bigger and better" Folk Fete in 1971, according to Mrs. Perry Holder, co-chairman of the festival which was highly successful in its first year.

Fete officials have contracted for a quarter-page, two color ad in the 1971 East Texas Vacation Guide, published annually by the East Texas Chamber of Commerce.

The ET Chamber emphasizes tourism as an industry for cities.

Midway 15, Rogers 14

ROGERS

Waco Midway edged Rogers in a season opener here Friday night in the final 2 minutes with a flat pass and a final score of 15-14.

The Eagles led into the fourth quarter until Midway fell on a Rogers fumble at the Rogers 18, taking the ball to the Rogers 4.

Rogers held for three downs, only to see quarterback David McCutcheon pass flat to end Billy Garrett for the fatal score. On a second try, Midway's Tommy Corley ran in for a 2-point PAT, giving the Midway edge, 15-14.

Rogers scoring came in the first quarter in a 74-yard drive, capped by a one-yard plunge for a TD by Eugene Brenek, Don Mayfield converting, Rogers 7, Midway 0.

Midway countered in the second quarter with a 77-yard drive. McCutchen passed to end Tommy Young for a 29-yard bomb, Corley converting. Rogers 7, Midway 7.

The Eagles regained the lead in the third quarter with 54-yard drive, sparked by a 35-yard TD sprint by fullback Lucas Jimenez. Mayfield converted. Rogers 14, Midway 7.

McCutchen's clutch pass to Garrett in the fourth quarter and Corley's second conversion ended scoring.

The hometown Rogers crowd saw heavy hitting in the Eagles team effort. Eagles drew 12 penalties for 122 yards and Midway 6 penalties for 75 yards.

Rosebud 14, Marlin 0

MARLIN

A scoreless Marlin club contained Rosebud-Lott's Cougars for two quarters only to see two touchdowns in the second half finish it, Rosebud 14, Marlin 0.

R-L 'S Luther Alexander went 35 yards on a trap play in the third quarter for the first score, Kirkscey converting.

And in the fourth, Kenneth Coulter took the Cougars the last 11 yards and the final TD, Kirkscey converting the second time.

Alexander was all over the turf with almost 180 yards in 20 carries.

Marlin mustered some outstanding defense in the home field, but little offense in a game substantially an infantry attack for both clubs. Myron Harden and Jerry Drews led the Marlin defenders.

Statistics showed 283 yards rushing for the R-L Cougars, more than double Marlin's. No other dramatic difference developed in the game.

Kirkscey continued a skein of PAT's begun in 1969, a season when Alexander was a standout in the Rosebud club, before consolidation with Lott.

Milano 38, Buckholts 14

BUCKHOLTS

The hometown crowd was disappointed here Friday night as the Milano Eagles lifted a 38-14 Class B win over the Buckholts Badgers.

The season opener saw Milano take a 6-0 lead, countered by Buckholts TD in the first quarter. But Milano's Nelson scored a second Eagle TD to put Milano ahead for the evening.

Milano led at the half, 26-8. Touchdowns by Nelson and Shaw provided the edge, started by Nelson.

Buckholts' Kudlacek scored the final Badger TD down the middle, the conversion good. Hisler scored Buckholts other touchdown.

Milano's Nelson and Shaw each crossed the double-stripe three times, Shaw scoring on long runs in the second half.

Rockdale 20, Georgetown 12

ROCKDALE

Rockdale Tigers choked the vaunted Georgetown Eagles, 20-12, with three long runs by a junior halfback and five pass interceptions.

Halfback Will Ray went all the way on an 80-yard punt return for a TD, scored from 88 yards out and set up the third Tiger score with a key 54-yard sprint in the third quarter.

Georgetown could score only late in the fourth quarter when the Eagles forwards fell on a blocked punt and quarterback Mike Lyda scored on a fourth down, 2-yard dive for the final score. Neither conversion scored.

Ray's punt return put Rockdale ahead 6-0 at halftime.

In the fourth quarter, he went for Rockdale's third TD and the 88 yards, conversion failing.

The other Tiger score was set up by Ray's sprint to the Georgetown 26, a run of 54 yards. A Mike Lankford-Bert Brown pass was good for 21, and Brown caught another Lankford toss for the TD, Lankford converting.

Georgetown, a 12-0-1 ballclub, was favored to defeat the Tigers, who lost all 10 of their 1969 starts in AAA competition, including a loss to Cameron.

Georgetown led statistically except in yards rushing in which Ray singlehandedly pushed Rockdale's total to 195 yards.

Freshmen 36, Gatesville 14

Yoe junior varsity and freshman teams traveled to Gatesville Thursday night and split the breaks with that school -- Cameron freshmen won 36-14 and the JVs lost 26-6.

Varsity assistants Ernie Laurence and Price Minter share coaching duties for the teams. Rosters released by the coaches this week:

Fumbles Mar Clash

The Yoemen opened the 1970 season Friday night with an aerial attack, augmented by Emanuel Thomas 91 yards rushing, which turned away the uncertain Taylor Eagles, 28-7.

The game went from thrills in the first half to almost ho-hum in the second. Four of the five scores came before the half.

Cameron leading 21-7, tackle Dale Schigut pounced on one of the Ducks' seven fumbles in the endzone and added the final touchdown, Joe Lewis, who helped force the fumble, converting.

Halfback Thomas kept things busy on the ground with 91 yards in 13 carries, including a 9-yard sprint for the first Cameron touchdown, Lewis converting.

The Ducks evened the score quickly when halfback Reggie Turner intercepted a Robert Brashear flat pass, racing back 60 yards for the lone Taylor TD, quarterback Tim Kennedy converting. Score was 7-7.

Quarterback Brashear squared things minutes later by capping a 58-yard Yoe drive with a 27-yard scoring pass to end Mike Zajicek, Lewis' conversion attempt wide, Cameron 13-7.

Thomas picked up 18 yards on the ground during the drive, alternating with Jerry Richardson and Ernie De La Rosa, before Cameron drew a 15-yard penalty, setting the stage for Brashear's toss to Zajicek.

Taylor countered with a drive to the Cameron 29, but went into shock when junior quarterback Richard Cummings intercepted a Kennedy pass and followed excellent blocking up the sidelines for a

With first and goal, the Yoemen sent Thomas for 3 and then fullback Edward Whitley cracked straight ahead for 7 and the score, which was followed by a 2-point conversion pass, Brashear to Richardson.

Until Schigut fell on the loose ball in the Duck endzone, his second fumble recovery of the evening, that was the scoring. Cameron led at the half, 21-7.

A Dad's Night crowd of about 3,500 watched the second half slow to an exchange of punts and fumbles.

CISD Board Assures Milano Of Welcome

Cameron school trustees met in regular session Thursday night and adopted the following resolution:

"The Cameron Board of Trustees wishes to extend to the Milano District Board of Trustees and their patrons a welcome into the Cameron District should the Consolidation Election called for Sept. 12, 1970 carry. Also, to assure the Milano Board of Trustees and their patrons of this Board's desire to provide a quality education for each student of the combined District.

"Furthermore, should the Consolidation Election fail to carry, to assure the Milano Board and their patrons the Cameron Schools will continue to cooperate with and assist the Milano District in any way possible."

Trustees also heard School Supt. D. R. Dodson commend action by the school board in July, 1969, when it voted to unitize the Cameron school system. Citing reports of deep problems and community splits in neighboring school districts, Supt. Dodson said he appreciated the board's "forward thinking."

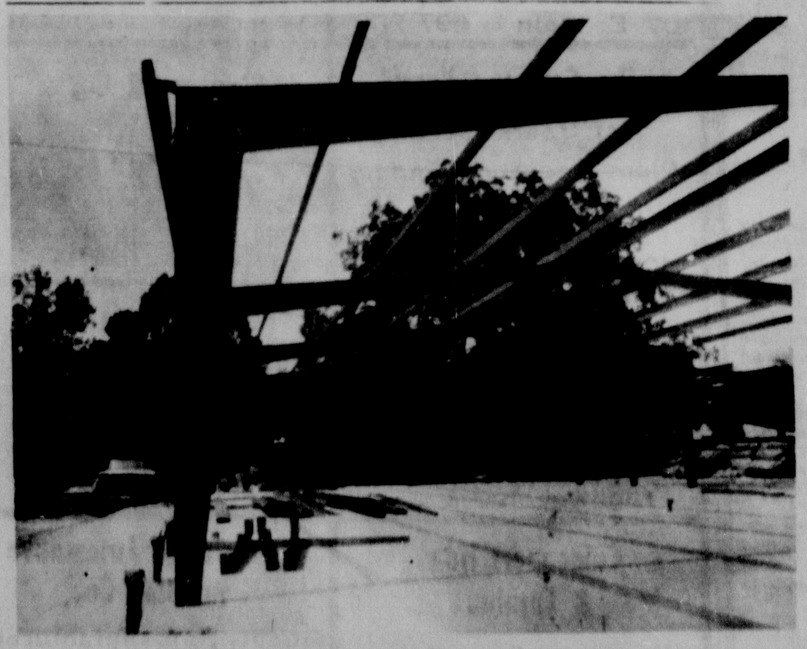
In other business, Title I and other school personnel were officially hired for the 1970-71 school year and the 1970 tax roll was approved.

Personnel included: aides, Katherine Looney, Mary Tom Moody, Marie Schiller, Irene Simmons, Marietta Turner, and Theodora Marek;

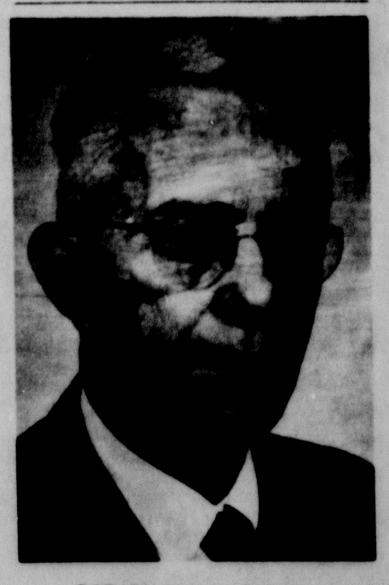
Media Center personnel, Robert Maler, Bobbie Perkins, and Jean Krall; Jerry Secrest, elementary tutor; Betty Humble, school nurse; Bobbye Looney, social worker; Ida Joyce Zajicek, remedial program; Mrs. Jean Tumlinson, high school Spanish;

Also, Viola Wied, Minta Miller, Vivian Kunz and Bernadette Hanel, office personnel. Total employees in the school system is 132, Supt. Dodson said.

A progress report from the building committee showed steel up for the homemaking cottage, awaiting wall and ceiling panels, and foundation poured and steel ready for erection at the junior high school dressing room.



FOR FUTURE HOMEMAKERS - Steel framework is ready for walls and roof of the new homemaking cottage under construction for Yoe High students. The new building will be welcomed by homemaking students, whose department is housed in the gym.



ROTARY GOV. GARDNER

Rotary To Host Dist. Governor

Rotary District Governor Sam J. Gardner of Austin will be in Cameron this week for the annual district governor's visit with the local club.

He will meet with Cameron Rotary Club directors in the meeting room of the First National Bank Tuesday night and with the 30-member Cameron Rotary Club at their noon meeting Wednesday.

Gardner is Inspector of the Highway Patrol Service of the Texas Department of Public Safety. Before appointment to the inspector's post, he was Commanding Captain of the Waco District of the Texas Highway Patrol.

He was president of the Rotary Club of Northwest Waco, was a director of the YMCA, Chairman of the American Red Cross chapter and of the Central Texas Blood Bank.

In Austin he has been a member of the North Austin Rotary Club, a director of the Travis County Red Cross chapter, member of the Austin Society for Public Administration and is a vice president of the Texas Police Association.

Look At The Record....

The Herald would like to urge support for a final $35,000 fund drive which will be announced in the near future for Cameron Industrial Foundation.

Such a drive, to complete a goal of 1966 for $100,000, has been contemplated for at least a year. It is a good time to finish the goal begun with minimum assets, maximum plans in 1966.

Cameron Industrial Foundation's assets and record are impressive: Assistance in locating three industries in about two years, acquisition of additional acreage for other industry and options on even more, creation of upward to 300 jobs by this assistance. If we are correct, all three industries, plus Walled Lake Door, are hiring more people or at capacity.

More working capital for this community corporation is vital at this time. More development of the Cameron Industrial Park is important.

When one considers what that first $65,000 has done for Cameron in three short years, think what the other $35,000 can do to sustain an active industrial program in Cameron.

Bringing Energies Together

Herald editorials are direct.

They inflict pain, sometimes, in deep regions of the brain, not by what they say, but by what they try to make the brain do. . .think. After 30, that is an occupation the brain forfeits, sometimes, for the ducking and dodging of every-day life.

Our editorials contend that this life, as we now live it, is anything but everyday. It is sizzling with potential and change, but it is fascinating for the active mind to ponder and to contend with.

It is possible we rouse reaction to questions, but it is more possible we really rouse dissatisfaction within our readers, who realize maybe, just maybe they can do something about a condition they have accepted as a plight.

We say often man will never solve all his problems, but he can resolve a lot of them on his way. And that is a comforting thought in a day so tumultuous with incidents like organized highjacking of international jet flights, police assassinations and world - wide unrest.

Change can be dealt with; it can be met; and it can be fascinating rather than frightening if our brain is penetrated a bit and set to all it perceives, rather than reacting in pre-conditioned response.

Our editorials do not intend to offend. But they might. Their intent is to spark, to bring energies together for a solution. All kinds of reactionaries are loose on the world who know only how to disrupt.

THE FAMILY LAWYER

No Questions Asked

Many a conscientious husband seeks peace of mind by buying life insurance to protect his family in case he dies.

But he may also have a nagging worry: will the insurance company really pay off when the time comes, or will it find some flaw making the policy null and void?

To cut this worry to a minimum, most policies now contain what is known as an "incontestable clause." Under this clause, after a stated period (usually two years), the insurance company can no longer raise technical objections about the validity of the policy. It must generally pay off "with no questions asked."

Suppose, for example, that a man applying for insurance fails to mention the fact that he has a drinking problem. And suppose, after his death, the insurance company finds out about it. Under the incontestable clause, the company could not raise this point to escape paying the insurance to the widow.

In fact, the incontestable clause applies in most states even if the applicant told a deliberate lie. Take this case:

A man filling out an insurance application was asked if he was in good health. He said he was—even though he knew he had serious heart trouble.

After his death, the insurance company tried to cancel the policy on grounds of fraud. But a court ruled that, despite the fraud, the company would still have to pay off—because more than two years had gone by. As one judge explained:

"Even though dishonest people are given advantages under incontestable clauses, still the sense of security given to the great majority of honest policyholders makes it worth the cost."

But not even an incontestable clause will help if the fraud involves the very existence of the policy. Thus:

A man suffering from tuberculosis managed to get life insurance by sending a healthy friend to take the medical examination for him. After the man died, the insurance company found out about the trick and denied liability.

The widow tried to rely on the incontestable clause, but a court ruled that there had never been an insurance contract in the first place. The court said that on one basic fact, the identity of the insured person, there was never a "meeting of the minds."

In Memoriam

Richter - In loving memory of our son Lawrence Richter, who passed away Sept. 22, 1969.

We loved you so dearly the 43 years we had you with us. The heartaches we have shared this passing year could only be felt by his parents so close.

Gone is the face we love so dear. Silent is the voice we love to hear. Too far away for sight or speech. But not too far for thought to reach.

Friends may think the wound is healed, but they so little know the sorrow that is in our hearts concealed. God only knows.

Interest Up On US Bonds

Secretary of the Treasury David M. Kennedy has announced that a 1/2 - percent bonus will be added to the interest rate paid to longer-term holders of United States Savings Bonds.

This bonus will raise the effective interest rate on new Bonds, when held to maturity, from 5 to 5 1/2 percent.

The increase, which is retroactive to June 1, 1970, will also result in improved yields on outstanding Series E and Series H Bonds.

Arts Service League Projects Outlined

A luncheon at the home of Mrs. John Schigut opened the club year for the Arts and Service League Thursday. Fall flowers centered the serving and luncheon tables.

During a business meeting following the luncheon, projects for the club year were presented by Mrs. Bernay Dusek, Arts and Service League president, and Mrs. Bob Ellett, projects chairman.

The Club will sponsor a Newcomers Party in October, a series of five classic childrens movies to be shown on Saturday mornings beginning in December, a party for the Special Education students at Cameron schools and a charity ball in the spring. Proceeds for the Charity Ball will be used to finance a summer recreation program for children.

Club members also voted to sponsor the Cameron Senior Girl Scout troop.

Project committees will be: Membership - Mrs. James D. Camp and Mrs. Lee Marek;

Telephone - Mrs. Reeves Brown, Mrs. Albert Michalka and Mrs. Ron Murdock;

Movie Committee - Mrs. John Henderson, Mrs. Charles Chandler, Mrs. Albert Michalka and Mrs. Forrest Sapp;

Newcomers Party - Mrs. Frank Luecke, Mrs. Ron Murdock, Mrs. Lee Marek and Mrs. Leonard Cobb;

Style Show and Luncheon - Mrs. Bill Dase, Mrs. Dana Kestenbaum, Mrs. William Kelm and Mrs. Delbert Burleson;

Charity Ball - Mrs. Bob Ellett, Mrs. John Schigut, Mrs. Forrest Green, Mrs. Jack Ingram and Mrs. Paul Board.

Programs for the 1970-71 year will include a style show and luncheon in March, an afternoon program on Art and Sculpting by James Brock in January and a May luncheon.

Greetings,

To Mr. and Mrs. John Corlett, a girl, Stacey Renee, 8 pounds 1 1/2 ounces, born September 9 in Dallas. Mrs. Corlett is the former Carol Ann Wilson of Cameron. Grandparents are Mr. and Mrs. John E. Corlett of Richardson, Mr. and Mrs. Roy Bland of Taylor and Mr. John Henry Wilson. Great-grandparents are Mr. and Mrs. Henry Wilson of Hearne and Mr. and Mrs. Dewey McElwrath of Cameron. Great-great grandmothers are Mrs. G. E. Plentl of Cameron and Mrs. George Leath of Houston.

Computer, Psychedelic Light Concert In Baylor U Series

WACO

The Moog Synthesizer and Light Show with composer Merrill Ellis has been added to the Baylor University School of Music's Distinguished Artists Series for 1970-71.

The ensemble that is to perform Nov. 20 at Baylor features the famous Moog Synthesizer, psychedelic lights and computer. The group replaces the John Biggs Consort that previously was announced as part of the Distinguished Artists Series.

Three other concerts will be offered as part of the 1970-71 series.

Opening the series Oct. 27 will be the Janacek String Quartet from Czechoslovakia. The third concert, after the Moog Synthesizer and Light Show, and the first of 1971 will feature Natasha Gutman, young cellist from Russia, Feb. 19. The Musica Nova ensemble from Romania will provide the final concert of the series March 23.

Each of the Distinguished Artists Series performances will be at 8:15 p.m. in Roxy Grove Hall on the Baylor campus.

Tickets are now on sale in the music school's office. Tickets for individual concerts are $2.50 for adults and $1.50 for students and military personnel. Season tickets are $7.50 for adults and $4.50 for students and military personnel. Additional information is available by calling (817) 755-1161 or by writing to the School of Music Baylor University, Waco, Texas 76703.

Dual Program For Garden Club Meeting

Fleur de lis Garden Club members were treated to a program of color slides on Candadian Gardens showing flowers in their natural surroundings, followed by a program on preserving summer flowers and folliage for dried arrangements.

The Club met Tuesday evening at the home of Mrs. Forrest Sapp with Mrs. Don Humble and Mrs. Don Marquart as co-hostesses.

Mrs. E. O. Schiller Jr. showed the slides of formal gardens taken during her summer trip to Washington and into Canada.

The program on drying flowers and folliage was presented by Mrs. D. R. Dodson. She emphasized cutting material to be dried in the afternoon, after the moisture is gone from the plant and suggested using folliage with thin leaves for better results.

Club Installs Officers

The Pleasure and Profit Club began its year of activity Thursday afternoon at the home of Mrs. E. J. Burkes. A permanent arrangement of red roses, the club flower, was the central decoration.

Mrs. J. R. Looney, the outgoing president opened the meeting. She installed the officers for 1970-71, using the beautiful candlelighting theme. New officers are Mrs. J. A. Bowling, president; Mrs. Walter Lester, vice president; Mrs. Virginia Schuhsler, secretary - treasurer; Mrs. E. J. Burkes, reporter-historian.

Mrs. Bowling responed with a challenge to each member to make the year an unforgettable one.

Mrs. Bartow Jackson, yearbook chairman, introduced the programs for the year by reading an imaginary letter to a friend relating the high points planned for each meeting. Theme for the year is a "Potpourri of Talents". Assisting Mrs. Jackson on the yearbook committee were Miss Ada Margaret Smith and Mrs. Milton Schiller.

Sixteen members were present. Guests were Mrs. Paul Young, Mrs. Joe L. Walzel and Mrs. Billie Quiram.

The hostess served refreshments of punch, cookies, mints and ice cream, again featuring the club flower, the red rose.

Mrs. J. A. Looney led the members in reading "The Club Collect" for dismissal.

The Pleasure and Profit Club will meet September 24 with Mrs. R. M. Clark. The program will be a book review presented by Mrs. Herbert Nance.

BROILED BEEFBURGERS SPORT several flavor surprises for porch or patio picnic.

True enjoyment of summer includes broiling beefburgers on the porch or patio. Patties broil to the same juicy and delicious doneness whether a hibachi or larger grill is used.

For a special burger treat to celebrate summer and delight the family, hide a cube of caraway seed cheese in the center of each patty, suggests Reba Staggs, home economist for the National Live Stock and Meat Board. For additional flavor appeal, burgers are brushed with a tangy catsup sauce.

Caraway Beef Patties

Shred 2 slices of rye bread and mix with ⅓ cup water. Combine with 1½ pounds ground beef, 1 teaspoon salt, ⅛ teaspoon pepper and 1 beaten egg. Shape mixture into 12 thin patties using about ¼ cup mixture for each.

Cut in half each of 3 slices (4 x 7-inches) caraway seed cheese and arrange the 6 slices in a stack. Make 3 cuts through cheese to make pieces about 2 inches square. Place a stack of 4 cheese squares on each of 6 patties. Top with remaining patties and press edges together. Combine ⅓ cup catsup, 1 teaspoon soy sauce, 1 teaspoon prepared mustard and 1 teaspoon lemon juice.

To broil outdoors, place patties on grill 3 inches from heat. Broil 3 minutes, turn, brush with catsup mixture and broil second side 3 minutes. Turn, brush with mixture, broil 3 minutes, turn and broil until patties are done. 6 servings.

9 Countians Attend GOP Convention

Nine Milam County Republicans are scheduled to attend the GOP State Convention to be held in Fort Worth Tuesday, September 15.

Attending as delegates will be County Chairman J. Estel Johnston, James E. Luckey, Jack W. Tumlinson and Lloyd Albertson. Alternates will be Mrs. J. Estel Johnston, Mrs. James E. Luckey, Mrs. John A. Mudge, Mrs. Jack Tumlinson and Mrs. John A. Smith.

The GOP State Convention will be held in Fort Worth's Convention Center beginning at 9 a.m. on Tuesday. Republican Party headquarters will be in the adjacent Sheraton - Fort Worth Hotel.

Keynote speaker for the one day convention will be Gov. Linwood Holton of Virginia. Other featured speakers will be Sen. John Tower, U. S. Rep. George Bush, Paul Eggers, National Committeeman Peter O'Donnell, State Chairman William M. Steger and Byron Fullerton, candidate for Lieutenant Governor.

Cottonseed Food To Debut At Fair

Some glamour foods that have been extracted from lowly cottonseed will be on the Texas Department of Agriculture's platters in the Food and Fiber Pavilion at the State Fair in October, Commissioner John C. White has revealed.

It will be like the debut of such foods from cottonseed as Tamunuts and cotton nuts, "cotton brittle," butter, and foods from cottonseed flour.

Mrs. Margaret Hardin of Texas Tech's home economics department will give demonstrations with the new foods during "Cotton Day," October 11 at the Fair. Those protein-filled foods will be served at the press luncheon in the all-new Food and Fiber Pavilion October 8, and for the general public, during "Cotton Day."

Research has brought forth the new foods from cottonseed, and probably also will result in a new high-protein drink that is under development, according to Jack Whetstone, executive vice president of the Texas Cottonseed Crushers Association.

A "glandless" cotton has been developed and about 15,000 acres of it were planted under contract for the cottonseed that has been used in preparation of the new foods.

"Tamunuts" were named in honor of Texas A&M University where much of the research on cottonseed foods has been done. Some of the candy is like peanut brittle, and a butter is similar to peanut butter. The cottonseed flour can be used in baking, and cottonseed oil is much like vegetable oil.

Food shows featuring cottonseed foods will be given at 10 a.m., 2 and 6 p.m. October 11 in the Food and Fiber Pavilion. Other foods will be featured at the same hours other days during the Fair.

PORTERHOUSE -- often considered the best steak, is ideal to serve for those special dinner guests. Most porterhouse steaks will be too large for an individual serving. However, they have a generous tenderloin section which can be removed and served separately as filet mignon.

D. Lesikar Named To RISD Board

At the September meeting of the Board of Trustees of the Rogers Independent School District, Daniel C. Lesikar was appointed by the Board to serve in the position left by the late Edwin Psencik.

Lesikar will be sworn in as board member at the October 1 meeting.

Lesikar is a 1960 graduate of Rogers High School. He has been farming and ranching in the Rogers school district since his graduation. He and his wife, the former Lanelle Marchak, have two children, one starting school this year.

In other business, the Board elected Tom Scott of Heidenheimer as head custodian; approved the work-study federal program run by Temple Junior College with two students working in the Rogers system after their TJC classes.

It made provisions for the construction of a bicycle rack for elementary students; approved revisions in the Title I application-budget; named a large advisory committee for the Consolidation Application Program and provided for the purchase of a new washer and dryer for the homemaking department.

CONT. FROM PAGE 1

Taylor had five fumbles in the first half, two in the second, one for the final Yoe touchdown.

Coach Hal Stanislaw was alternating a number of players in the backfield and a combination of first-night jitters and testing players at different positions caused five Cameron fumbles in the second half.

Taylor alternated Scott Wilkerson and Tim Kennedy at quarterback throughout the evening. Taylor was having trouble with the Wish-bone T introduced there this year.

De la Rosa, Cummings, Sam Knight, Whitley, Richardson and Thomas all ran the ball during the evening.

Brashear hit 8 of 12 passes, his favorite target end Carroll Michalka. And Kennedy and Wilkerson hit 7 of 14 tosses, most in the second half.

Cameron's forwards smothered Duck backs all evening. Schigut, Knight, Jim and John Bailey, Lewis, Jack Raymond spent a good part of the evening in the Taylor backfield.

George Faltesak, Mark Krueger and Greg Buzan were among top Taylor defenders.

Taylor's Turner racked up 51 yards in four rushes in the first quarter and scored on the long interception runback. But the Ducks moved to the air in the second half.

Valery Jackson and Don Hull, Duck halfbacks, worked the Cameron line for some yardage, but costly Taylor fumbles repeatedly turned back the Duck rushing game.

Cummings went almost all the way on his dramatic runback of the interception, but was caught from behind at the Yoe 10. Yoe downfield blocking cleared the sidelines of all but one Taylor defender.

New Way to See America

NEW YORK, N.Y. — Great discoveries await vacationeers this year at national parks, forests, the seashore and mountains. America is easier to discover now with a new Fly In-Camp Out vacation program being introduced by a major airline this season.

The most attractive outdoor recreation areas are mere hours away by plane from the major metropolitan areas. Within minutes after arriving at the destination airport, a family will be met with a fully-equipped, self-contained "motel on wheels." Everything needed for a camping vacation is aboard the modern camper vehicle, from built-in beds that sleep 4 to 6 adults, to stove, oven, sink, water supply, toilet facilities and storage cabinets. In addition, bedding, cooking kit, eating utensils, maps and guides are aboard.

Exciting itineraries from sun soaked beaches and mountain lakes to famed fishing spots and Indian villages are included in the Camp America guidebooks and trip maps.

Most important to the vacationing family, all the valuable vacation time can be spent in the choicest outdoor recreation areas.

The new dimension in family vacations also includes guaranteed reservations at campgrounds, with overnight costs as low as $2.50 per family. With the convenience and comfort of a home on wheels, families can explore the byways or wander their own heritage highways to outdoor adventure.

From the Sun coast of Florida to the Great Smokies, the lure of the outdoors will beckon millions of families this year. And those wonderful far away places are only hours from home now on Fly In-Camp Out vacations, a new era for those who love the outdoors, according to Eastern Airlines. When vacation days are over, home is a brief relaxing plane trip away.

Seniors Invited To Air Problems

By Christine Laws

Milam County will be holding a series of Community White House Conferences on Aging during the weeks of September 13 thru 26 along with all other communities in the nation, preparatory to the State and National White House Conferences on Aging to be held during 1971.

The meetings are open to anyone interested, but are mainly aimed at those 50 years and older. The purpose of these community forums is to better learn about the problems of today's senior citizen and to learn the needs of tomorrow's senior citizen. You may say that my voice may not count very much, but everyone's ideas and opinions are necessary.

These forums are needed for the older American to speak out about their problems on a local level. A report of these problems will then be sent to the state and later to the national level.

Seven community forums will be held in Milam County starting September 14 in Branchville at 7 p.m. at Old Providence Baptist Church.

On September 15, the Maysfield Forum will be held at 6 p.m. at the Maysfield Community Center. Davilla Community will be the scene at 6 p.m. on September 16 at the Davilla Community Center. On September 17, 7 p. m. the forum will be held at the Zion Hill Baptist Church in Gause.

Three more forums will be held during the week of September 20. On September 21, at 10 a.m. at the New Salem H. D. Club House in Fair Park, Rockdale. Abiding Savior Lutheran Church, 6 p.m. in Cameron will be the place on September 22. A forum will be held in Thorndale on September 23, place and time to be announced.

Mrs. Clyde Holliman of Rockdale is serving as county coordinator and Mrs. Wavy Charles of Tracy-Duncan is serving as her assistant with this project.

These forums are open to all groups and are to benefit you. So come and participate.

Santa Fe Ups Sulphur Shipments

A 100 per cent increase in shipments of molten sulphur by unit train from Duval Corporation's plant at Rustler Springs, Tex., to shipside at Galveston has been announced jointly by Duval and Santa Fe Railway.

Effective September 10 a fourth 66 - car unit train was added to the service and departures will be scheduled every other day compared with the previous pattern of departures every fourth day. Each train will carry 858,000 gallons or the equivalent of 5,610 tons on the 930 miles trip.

The service was inaugurated in November, 1969, with three 66-car trains in operation.

Local Game Warden Is FFA Guest

Dale Moore, local game warden, was guest speaker at the Cameron Yoe FFA September 8 meeting. Moore's program was on wildlife and wildlife rules.

During the business meeting the chapter voted to increase prices at its concession stand and voted to buy official FFA jackets for chapter officers.

Steve Kirk discussed improving the FFA marker on Highway 77 and Donnie Tucker and Clell Wise discussed the chapter's sponsoring a youth rodeo this year.

Glen Cryer and Gary Fuchs won the door prizes, two female rabbits donated by Bo Durr.

Refreshments were served following the meeting to the 39 members and three guests present.

Highway Fund Cut Means No December Contracts

AUSTIN

The Texas Highway Commission today announced cancellation of the regular December lettings of highway contracts throughout the State.

The Commission blamed the contracting moratorium on the recent holdback of part of the Texas apportionment from the Federal Highway Trust Fund.

The action came at a time when highway construction has been at an all-time high in the State due to favorable weather. For the last two months, payout for construction completed by Texas contractors has set new records in dollar volume.

Contractors were paid $42.6 million in July for work completed in June and $46.3 million in August for work completed in July. The payments represented work on 501 contracts in June and 593 contracts in July.

The Federal Aid Highway act of 1968, as approved by the Congress, provided that the States should receive $5.4 billion for the 1971 fiscal year apportionment from the Highway Trust Fund.

This amount was reduced by the Administration to $4.6 billion nationally and resulted in a reduction of the Texas share from $275 million to $210 million, $65 million less than expected.

Rogers PTA Meet At 8 Tonite

The Parent-Teacher Association of the Rogers Public Schools will have the first meeting of the year Monday night Sept. 14 in the school cafetorium at 8 o'clock with Mrs. George Richards, president, in charge.

Mrs. Milton Wendler, program chairman, will present the program. Supt. B. F. Harbour will introduce the entire faculty, staff, and trustees.

After the presentations, adults will meet in one of the four "Teach Adults" rooms for classes which will last for 10 to 15 minutes.

Efforts will be made in the meetings to familiarize parents with math and science courses taught in high school and at the junior high level, and get acquainted meetings at the elementary level between parents and their children's teachers.

The groups will return to the cafetorium for refreshments.

Earliest reference to rodeo activities is 1847. Place: Santa Fe, New Mexico.
